

with Helen Adams

**Launching at
Truro College
on 14 January
2020**

A really exciting opportunity to be part of a research group exploring mathematical thinking in the Early Years

You will

- Work alongside experts and collaborate with fellow professionals
- Deepen your understanding of how young children learn mathematics
- Learn how to support mathematically rich environments in your setting
- Broaden experiences and embed mathematical thinking through play in your setting

**To apply for your
FREE place, click [HERE](#)**

HELEN ADAMS is the Headteacher of Truro Nursery School and a National Leader of Education for the Cornwall Early Years Teaching School.

Teachers will be required to attend 3 face to face sessions, 3 twilight sessions and will need to undertake gap tasks, reflecting on their own practice and the progress of their pupils.
